301

Service suspended between Zaquar Shores and Zaquar Hummingbird Dock.

7 7X 102 trains have resumed normal service following construction between Elecna Bay and Zaquar.

Temporary 408 408X trains are no longer in service due to the resumption of normal 7 7X service.

7 7X trains make all former 408 408X stops.

301 trains remain suspended between Zaquar Shores and Zaquar Hummingbird Dock

Use the 4 7 for Zaquar North.

Trains run from Zaquar Hummingbird Dock to Zaquar Tanzanite Station.

For Zaquar North, transfer to the 4 or 7 at Zaquar Tanzanite Station.

For Zaquar Shores, transfer to the MRT Zephyr Line at Zaquar North or Zaquar Tanzanite Station, and travel to ZS28 station.

What's Happening?

We've finished construction between Elecna Bay and Zaquar, the latest phase of our 2026 reconstruction of rail infrastructure into Zaquar.

Construction is still underway on the 301 line in Zaquar.

In the future, service to Zaquar to and from the south will be suspended for the final phase of construction.
