Service suspended between Deadbush and Birdhall.

There is no IntraRail service between Deadbush and Birdhall due to construction.

101 trains are suspended between Deadbush Far East Interchange and Zaquar Tanzanite Station.

Use the **108** and IntraBus **7**.

Trains run from Deadbush Wesdorp to Deadbush Far East Interchange.

For Whiteley Olympia-Cacturne Boulevards, transfer to IntraBus route **7** at Deadbush Karaj Transit Center.

For Birdhall Transit Hub, transfer to the **108** at Whiteley Olympia-Cacturne Boulevards.

108 trains are suspended between Deadbush Heampstead Kings Cross Railway Station and Birdhall Transit Hub.

Use IntraBus **7** **350**.

Trains replace the **101** to Whiteley and Zaquar.

Trains run from Siletz Salvador Station to Birdhall Transit Hub, then via the **101** to Whiteley Olympia-Cacturne Boulevards and Zaquar Tanzanite Station.

For Deadbush Nord and Deadbush Heampstead Kings Cross Railway Terminal, transfer to IntraBus route **7** at Whiteley Olympia-Cacturne Boulevards, then to IntraBus route **350** at Deadbush Karaj Transit Center.

304 **305** trains are suspended.

There is no service to Totsworth or Haskaa.

See current service changes on the official IntraRail map:

What's Happening?

IntraRail's tracks between Deadbush and Birdhall are closed while we perform construction in several locations.

We're rebuilding our infrastructure west of Birdhall Transit Hub for modernization and to accommodate new A76 highway construction.

We're expanding Totsworth Junction station and double tracking most of our remaining single track infrastructure near Totsworth.

We're building new infill stations in MesaTown and Medved City.
